

DBL-CENOS V4
ENC USB Headset

Features

DBL-CENOS V4 ENC USB Headset is a high-performance communication headset designed for professional call center and office environments. It features advanced ENC (Environmental Noise Cancellation) technology to ensure crystal-clear voice quality, even in noisy workplaces

ENC (Environmental Noise Cancellation) Technology - Effectively reduces background noise for clear and professional voice communication.

USB connectivity - For easy plug-and-play use

Clear Calls in Noisy Environments - ENC technology ensures customers hear only the agent's voice.

Compatibility

Improved Agent Productivity –

Reduced noise distractions help agents focus better on calls.

Easy Deployment – Plug-and-play USB allows quick setup across multiple systems.

Comfortable, lightweight design -

For long working hours

Clear HD audio - For calls and virtual meetings

Compatible with major platforms such as Zoom, Microsoft Teams, Skype, and other softphones

Ideal for BPOs, contact centers, and enterprise use

HD Voice Quality – Delivers clear and natural audio for calls and virtual meetings.
